At the bottom of the grid, there is a green tag that says "In Reuse Library".

4 from here you can open any resource and it will open its viewer

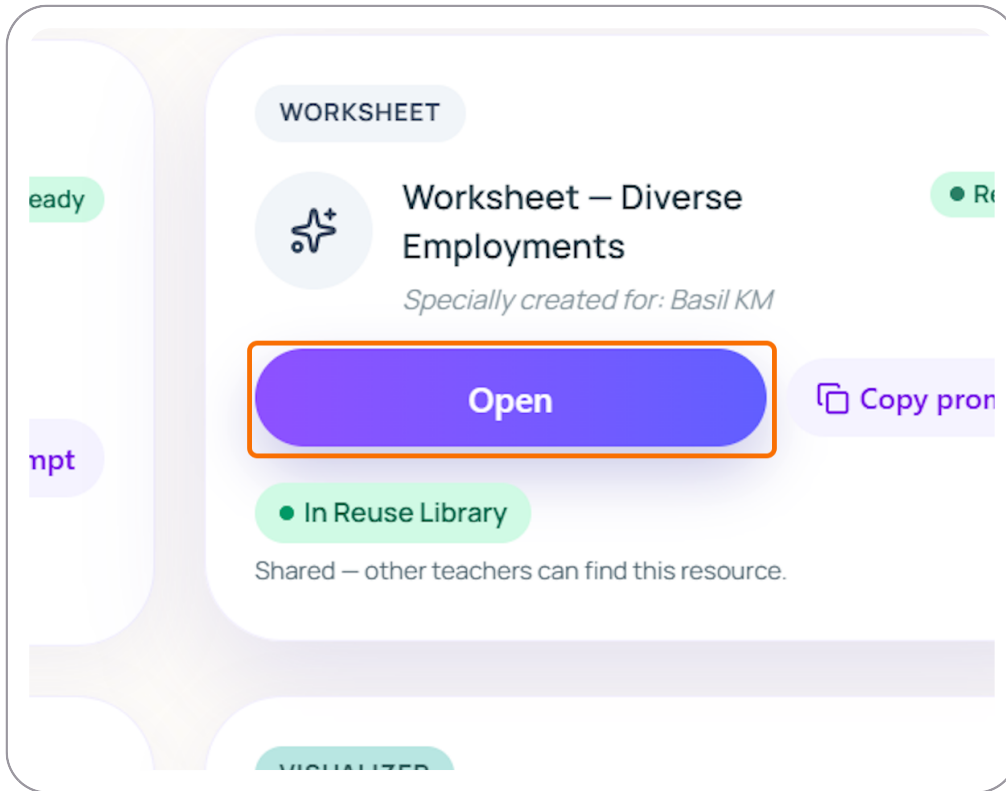

5

Like this Your opened resource is now open in the resource viewer. here we opened Slide Deck .

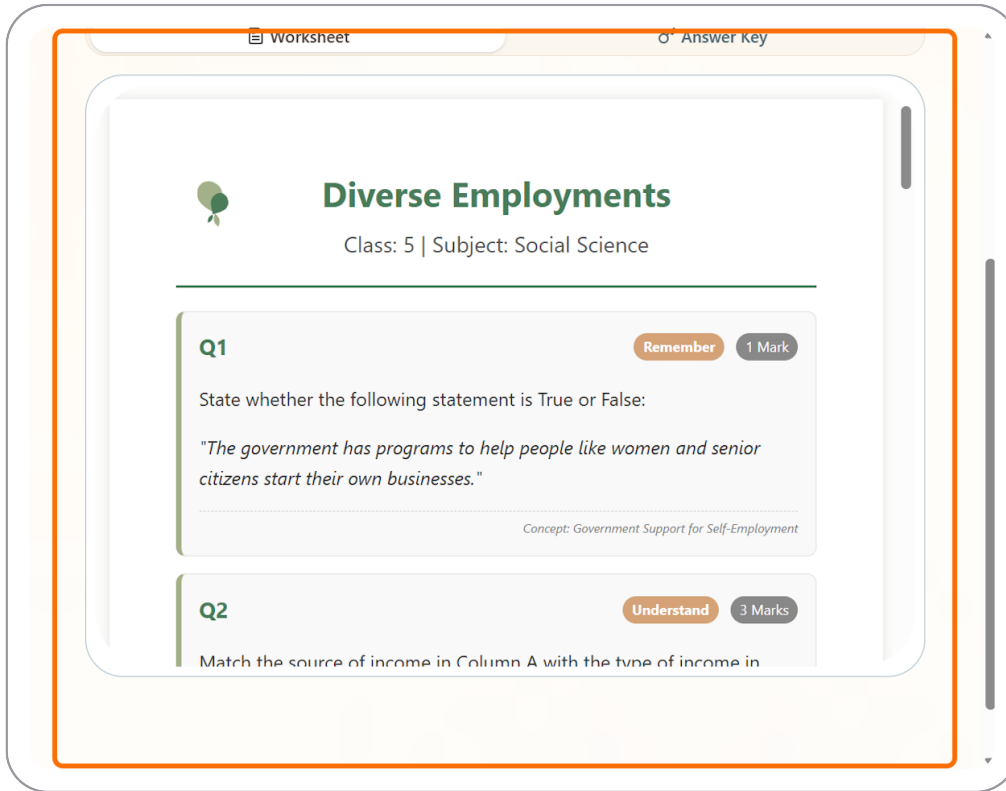

Learn how to view, open, and manage all the resources you have created in Professor Fox.

6 You can access all the resources you have created here.

- 7 The worksheet is now open in the resource viewer, where you can review, use, or download it.

The screenshot displays a resource viewer interface with two tabs: 'Worksheet' and 'Answer Key'. The 'Worksheet' tab is active, showing a document titled 'Diverse Employments' for 'Class: 5 | Subject: Social Science'. The document contains two questions:

Q1 (Remember, 1 Mark)
State whether the following statement is True or False:
"The government has programs to help people like women and senior citizens start their own businesses."
Concept: Government Support for Self-Employment

Q2 (Understand, 3 Marks)
Match the source of income in Column A with the type of income in
