Professor Fox by Dasomlre

- 1 A. Open Professor Fox
B. Click on account

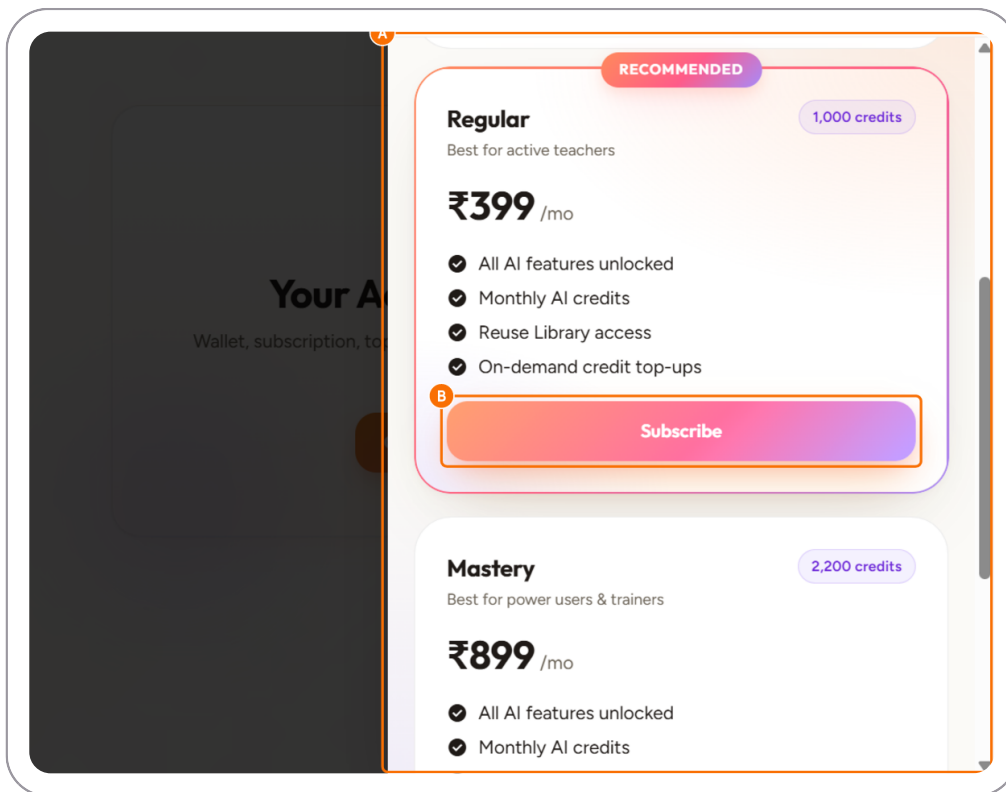

2 Click on Manage Subscription...

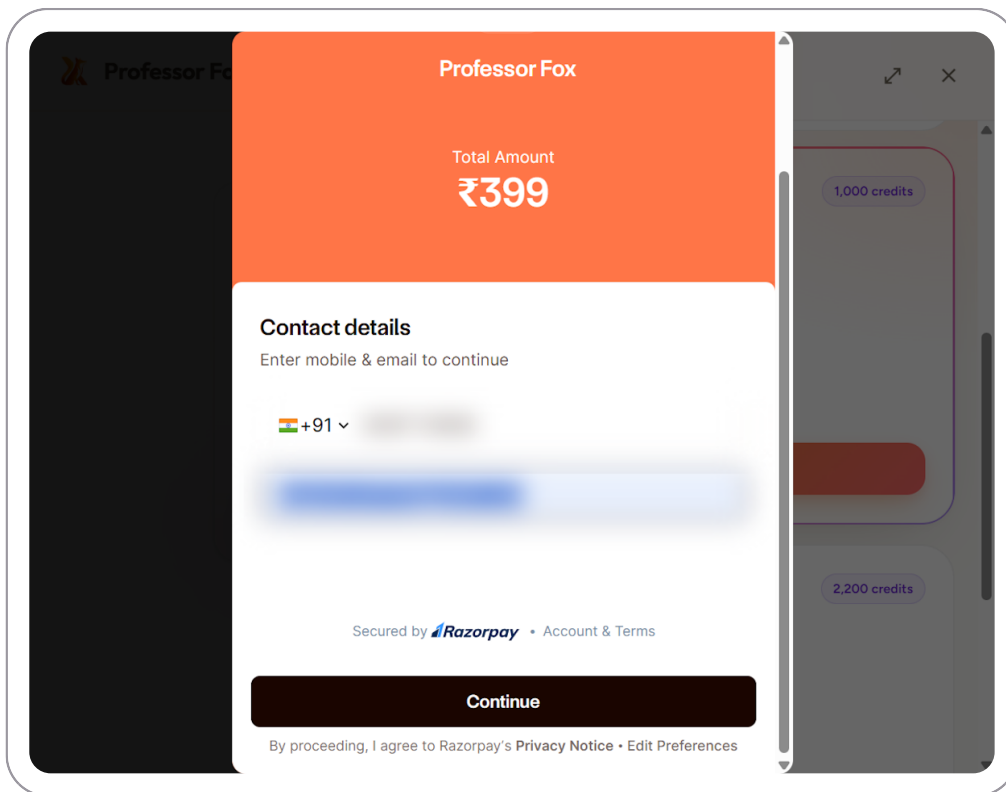

3

- A. Choose the subscription plan that best suits your needs,
- B. then click "Subscribe" to activate your membership.

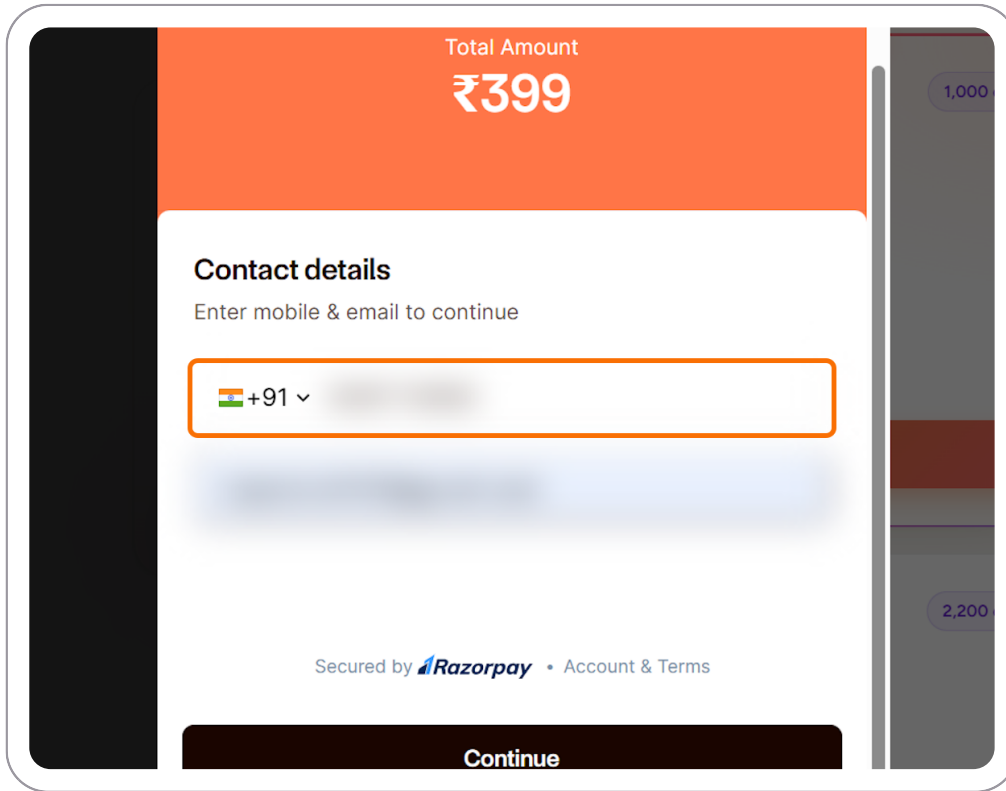

4

Once you click "Subscribe", the secure payment gateway will open. You may need to verify or enter your phone number before completing the payment process.

When using third-party payment services such as Google Pay, PhonePe, Paytm, or similar apps, the payment experience may vary based on your device. On laptops and desktop computers, a QR code is commonly displayed for payment, which can be scanned using the corresponding mobile app. On mobile devices, selecting the payment method may automatically launch the respective app, allowing you to complete the transaction quickly and securely.

5 Please enter a valid mobile number ...

The screenshot shows a mobile payment interface. At the top, an orange banner displays "Total Amount" and "₹399". Below this, the section "Contact details" is visible, with the instruction "Enter mobile & email to continue". A form field for the mobile number is highlighted with an orange border, showing a dropdown menu with "+91" and a blurred input field. At the bottom, there is a "Continue" button. The interface is secured by Razorpay, as indicated by the text "Secured by Razorpay • Account & Terms".

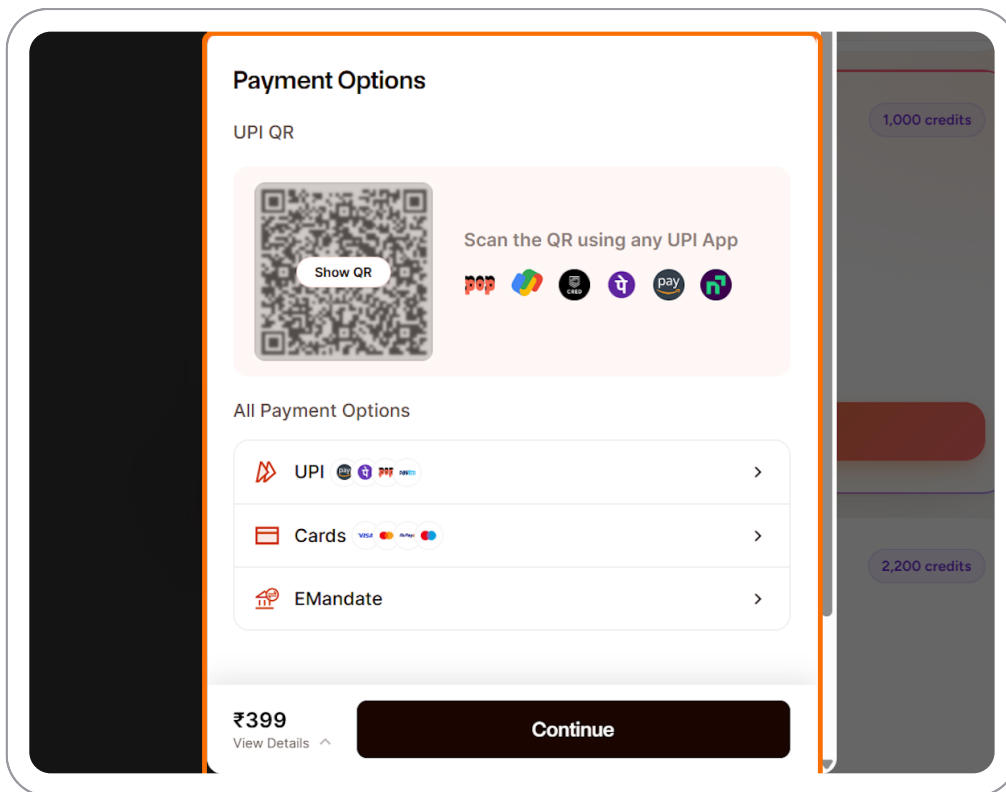

6 Please enter a valid email address...

The screenshot shows a mobile application interface for entering contact details. At the top, there is an orange header bar. Below it, the text "Contact details" is displayed in bold, followed by the instruction "Enter mobile & email to continue". A dropdown menu for the country code is set to "+91" with a small downward arrow. Below this is a text input field for the email address, which is currently empty and highlighted with a red border. A red error message "Please enter a valid email address" is displayed below the input field. At the bottom of the form, there is a black button labeled "Continue". Below the button, the text "Secured by Razorpay" is visible, with the Razorpay logo and the text "Account & Terms". At the very bottom, there is a link: "By proceeding, I agree to Razorpay's Privacy Notice • Edit Preferences".

- 7 After entering your mobile number and email address, click "Continue" to proceed with the payment.

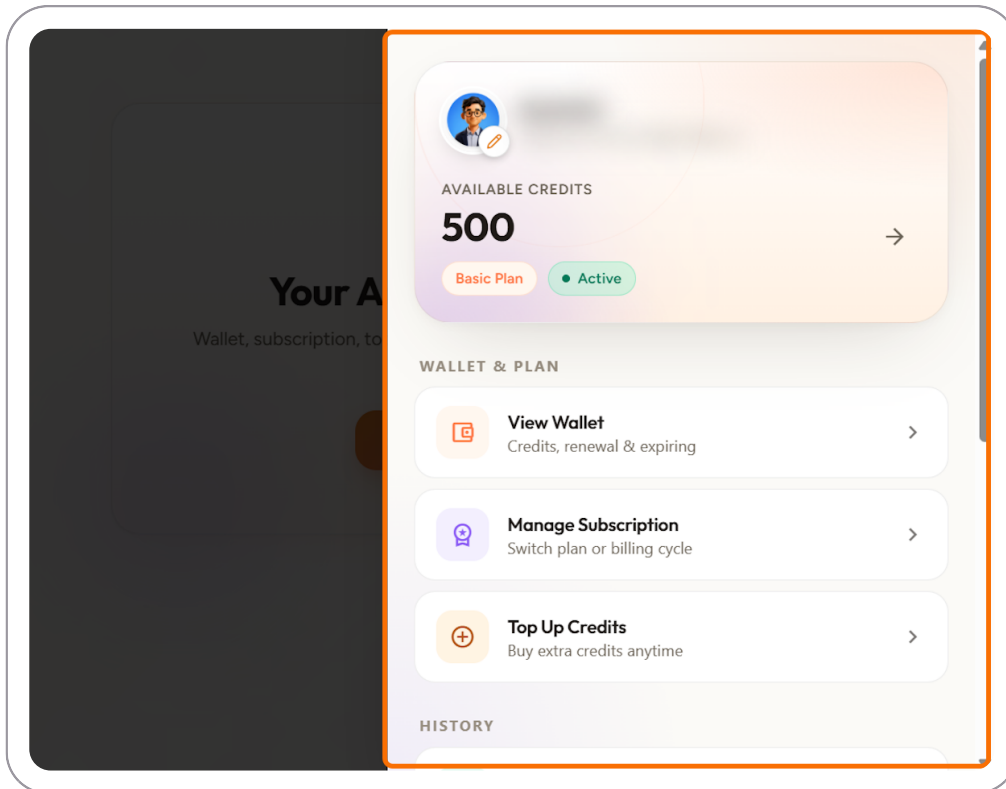

The screenshot shows a mobile payment interface. At the top, there is an orange header with the Razorpay logo. Below the header, the title "Contact details" is displayed, followed by the instruction "Enter mobile & email to continue". A dropdown menu for the country code is set to "+91" with a small downward arrow. Below this, there are two input fields for mobile number and email address, which are blurred. At the bottom of the form, there is a dark grey button with the text "Continue" in white, which is highlighted with an orange border. Below the button, there is a small text line: "Secured by  Razorpay • Account & Terms". At the very bottom of the form, there is a link: "By proceeding, I agree to Razorpay's Privacy Notice • Edit Preferences".

- 8 You can now view all available payment options. Select your preferred payment method to complete the subscription process.

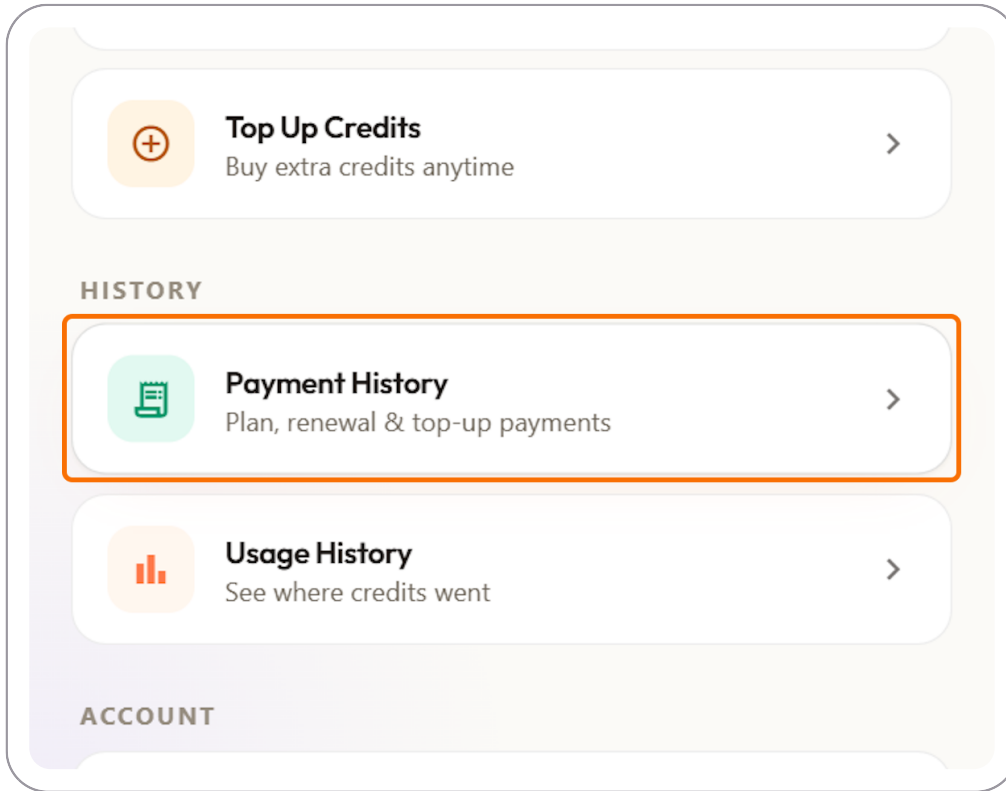

9

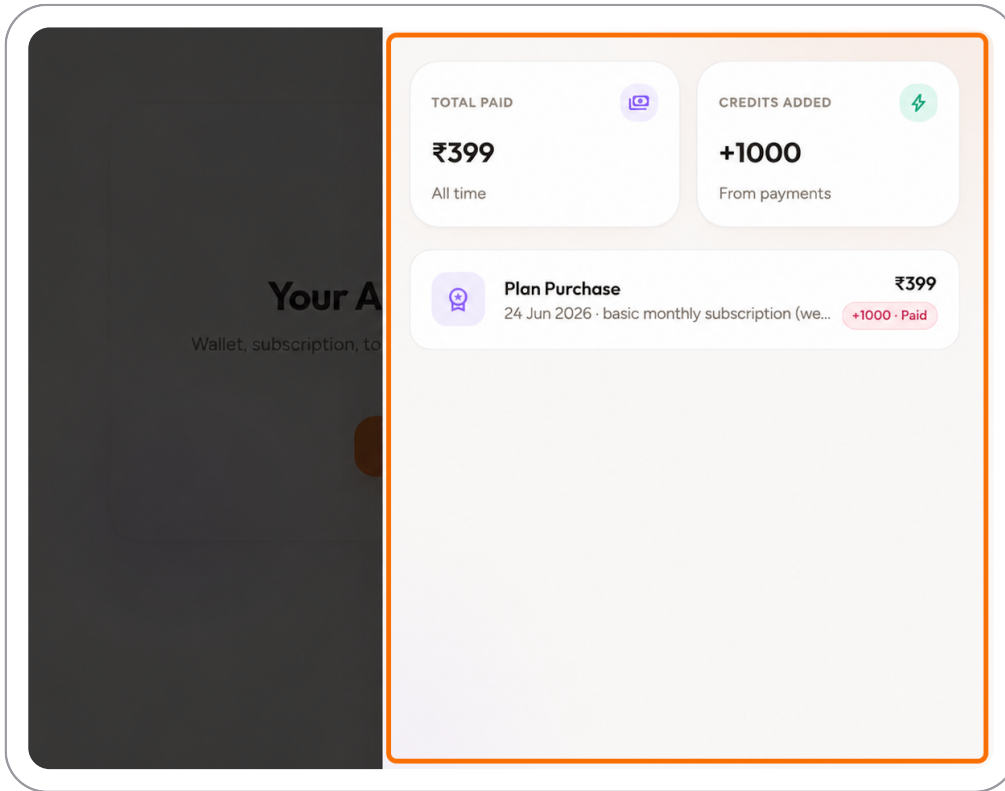

After a successful payment, your subscription will be activated automatically. Your account will be upgraded to the selected plan, and the allocated credits will be added to your wallet within a few moments.

10 You see your payment History in "Payment History"

11 You can review your payment here

12

Your subscription has been activated successfully. You can now use your credits to create lesson plans, worksheets, presentations, teaching manuals, and other classroom resources in Professor Fox.
